BOMA Golf Classic Highlights

On Monday August 30th, BOMA Regina held its **22nd Annual Golf Tournament** presented by **GWL Realty Advisors**.

Once again, **Long Creek Golf and Country Club** provided the venue. We thank them for providing excellent service and a quality facility. On the day of the event, the sun shone for a while, a slight breeze kept the mosquitoes at bay, rain was fleeting and balls were lost. All in all, a great day for golfing!!

Registration opened before the 1:00 shotgun start and with thanks to GWL Realty Advisors and BOMA Regina, each golfer received a golf ball retriever and water bottle. Each cart was sponsored by Site Management Services and stocked with a sleeve of balls provided by Honeywell and water provided by HD Supply. Observations from the sidelines showed that all items were well used throughout the day.

The day got off to a great start with a lunch sponsored by the Cornwall Centre (Primaris REIT) followed by a respectable round of golf then a steak dinner sponsored by Johnson Controls, and prizes galore. 139 golfers managed to lose 978 balls, which earned Brent Smith \$350 dollars for his lost ball guess.

As we have done in past years, we included a "Hit the Ball" campaign for the MS Society, raising an impressive \$625.

Congratulations must go out to the golfers who put their best foot (or should I say golf club) forward:

The TLC Construction team comprised of Stacy Sikorski, Tim Taylor, Gerry Biliak and Dennis Mailhot, won The President's Cup with the overall lowest score.

The Co-operators Life Insurance Company represented by Lori Bote, Sean Tetlow, Brett Stinson and Jeanne Hunter won the Don Holman Memorial Trophy (for the most honest team).

Larry Debusschere and Terri Morrison each won a mountain bike courtesy of Dafoo Filtration Group for balls closest to the pin.

Les Handford and Shelley Kelln-Trudelle were awarded putters from PLS Sign and Graphic for their longest putts. Jerrod Keuler and Shelly Kelln-Trudelle each won a golf bag for their longest drives. Golf bags were provided by KAP City Construction and ProCrest.

Several door prizes were won during the evening and everyone went home with a coffee mug, compliments of KAP City Construction. Prizes won included:

- A \$750 Gift Certificate from Parkland Carpet One won by Warren Zinn
- A Gas BBQ won by Dwight Milliker
- A 32" TV from Flynn Canada Ltd. won by Fred Comeau.

The events' success is largely due to the support we receive through our sponsors, golf committee and the companies whose generous contributions of team and door prizes make the tournament possible. This could not be done without them!!!

BOMA Regina sincerely thanks the following, for all their hard work and support:
